PRE LOVED SCHOOL UNIFORM

Good news - you can now **order** very good condition **pre-loved uniform from our Pre-Loved Shop!** As you know, our pre-loved uniform 'shop' is open every Wednesday, after school (until 3.35pm, in the portacabin nearest to the park). It's run by our lovely Emma, who gives up her own time to do this.

If you're not able to go along and choose yourself, just use the form below (a hard copy available in the office if you don't have a printer).

1. Complete the form.
2. Put this into an envelope labeled **'Pre Loved Uniform shop**' along with the **cash**.
3. Seal the envelope.
4. Bring your sealed envelope to the office.

Emma will collect the envelopes from the office every Wednesday and leave completed orders at the office. We will call you to arrange collection or return monies if the items aren't available.

Good quality donations are always gratefully received (no stains, holes, tears or broken zips please).

Great for the environment, great for your pocket and a great way to support the school - last year the shop raised £500!

Thank you.
